Château Péby Faugères 2017

Saint-Emilion Grand Cru Classé

March 2020 - Wine Spectator, James Molesworth

93/100

Polished in feel, with a core of raspberry, blackberry and plum compote flavors that feel seamless as this moves along, carried by an embedded graphite note and flecked with anise and black tea details on the finish. Best from 2021 through 2032. 875 cases made.

February 2020 - Vinous, Neal Martin

92/100

The 2017 Péby Faugères is pure Merlot matured in 65% new oak. This has a very well defined bouquet that is vastly improved from its showing from barrel. I find this surprising considering it is usually more decadent than Faugères. The palate is medium-bodied with supple tannins, a fine bead of acidity, quite elegant in style with a subtle cedar note on the finish. Very fine.

December 2019 - James Suckling

95/100

The polish and finesse to this wine is very impressive with medium to full body and ultra-fine tannins that caress every inch of your palate. Strong, ripe dark-berry flavors and a powerful build to the finish. Reserved and finely tannined, the wine goes on and on. Shows reserve and poise. Racy. Drink after 2022.

Decembre 2019 - Yves Beck

93/100

Bouquet intense où les notes confites, l'élevage en barriques ainsi que les épices sont en harmonie. Caractère fruité et suave en bouche. Le vin est doté de tannins aux grains fins qui confèrent de l'ampleur et d'une bonne intensité aromatique, jusqu'en finale. Un vin qui allie charme et densité. 2023-2034

April 2018 - Markus del Monego

93/100

Dark purple red with violet hue and black core. Good concentration, black cherries, ripe plums, hints of blackberries and elderberries, elegant toasting in the background. On the palate well structured with full-bodied character, fine acidity and ripe tannins, balanced by sweet fruit. A wine with convincing length and potential.

GRAND CRU CLASSE
SAINT-ÉMILION

This cuvée is made purely from Merlot, from 7.45 hectares of vines. The yield in 2017 was just 20 hl/ha, the fruit picked between September 14th and 30th. Unlike Faugères, this wine sees micro-vinification, entirely in barrique, including 40 days maceration. It has a very plush sense to the fruit on the nose, black cherry, with a confit concentration to it, along with a little toasty lift. There follows a surprisingly cool sense to the structure on the palate, with a plush seam of toasty black cherry fruit wrapped up with notes of black olive, pepper and spice. It is full and grippy, with some slightly roasted fruit in the finish, and some firm, extracted, slightly drying tannins. This will need plenty of time.

93-95/100

Made of 100% Merlot, the medium to deep garnet-purple colored 2017 Peby Faugères opens with crushed blackcurrants, blackberry compote and plum preserves with touches of Chinese five spice and potpourri. Medium to full-bodied, the palate packs in the black fruit and spicy flavors, supported by firm yet velvety tannins and ample freshness, finishing long and spicy.
